Parents are also welcome to communicate with staff at any time. Directors are available via email or can be reached on the center phone.

At the end of every week, families can expect a camp newsletter highlighting the fun activities and events of the week. These will be emailed. The New Rochelle YMCA strives to provide your camper with a safe, enriching experience.

PROGRAM POLICIES

ABSENCE

We ask parents to inform the YMCA staff any time your child will be absent due to illness (or other planned event) during their scheduled program hours. Please be sure to advise the Director if your child will be arriving at the program later than their usual schedule time. If your child is absent, please notify the center via email or telephone.

CHECK IN/CHECK OUT PROCEDURE

Our staff focuses on the safety and security of your camper by employing an extensive check-in and check-out process of all campers. Only people listed on the pick-up authorization form will be allowed to pickup. **PLEASE BE READY TO PRESENT A PICTURE I.D. AT PICK UP.**

MORNING DROP OFF

Counselors will begin greeting campers at 9:00 AM, unless you have registered for extended AM care. ALL campers must be dropped off in the parking lot by the yard entrance. Campers should not leave their car as we are in an active driveway. Campers should be escorted by a counselor and/or parent. Counselors will require you to sign your child in; your child will be escorted into the yard. In the event of rain, the procedure will be similar with campers being dropped off in the back; however, we will use the back entrance denoted by the green star. In some cases, we may even utilize the main entrance to the Y on Weyman Avenue for drop off. After 9:30 AM, morning drop off is finished in the back and parents will drop off their child at the front desk using the main entrance.

EVENING PICK UP

For pick ups before 4:15 PM, parents must park, come to the front desk, and sign out their child with a YMCA Summer Camp staff person. From 4:15 PM to 5:00 PM, parents will pick up in the parking lot by the yard entrance. As you enter the parking lot on Bayard Street, a counselor will ask you for your child's name; they will inform the team so they can have your child ready. As you proceed to the pick up area (the building side of the parking lot), a counselor will approach your car for a pick-up signature and your child will be brought to the car. (See illustration below) Families/cars requiring additional time will be directed to park on the side so as to not impede the traffic flow. In the event of rain, we will dismiss campers from the back entrance in the parking lot denoted by the green star; counselors will continue to greet you in your car as they normally do for your signature. In some cases, we may even utilize the main entrance to the Y on Weyman Avenue for pick up.

For parents not in cars, please approach the sign out table in the parking lot.

LATE PICK UPS AND LATE FEES

After the end of the camp day (5:00 PM for regular dismissal/ 6:30 PM for extended PM dismissal) a phone call will be made by our camp staff to the guardian of the participant who has not been picked up and is not registered for extended care. In the event of an emergency and you know that you will be late, please call in advance.

If we are unable to reach a parent/guardian, emergency contact numbers will be called in the order listed in the child's file. If contact is made, the individual reached will be asked to pick up the child and will be informed of any extended care or late fees accrued (\$1 per minute). These fees will be charged to the card on file. If there is no card on file, payment will be required at the time of pick-up. Please note that outstanding late fees may result in the inability to register for future programs.

If contact has not been made and no further emergency contact numbers can be obtained directly from the camper by 7:30PM, the local Police of the town in which the camper resides and the Department of Child & Family Services will be notified and asked for further instruction. A report will be completed by the on site Camp Director.

TRANSPORTATION/DISMISSAL CHANGES

Guardians with a special request regarding participant transportation/dismissal, or any change in daily routine are REQUIRED to put a request in WRITING and SUBMIT TO THE CAMP OFFICE. However, in the event of an emergency, please call the Camp directly at 914.632.1818.

HEALTH AND SAFETY

ABUSE PREVENTION POLICIES

The YMCA is committed to being an abuse-free organization and to ensuring that any relationships between people associated with the YMCA of all ages are healthy and appropriate. Here's how the YMCA prevents abuse in our programs:

- Specific employment pre-screening/fingerprinting and background checks
- Annual training of all employees
- Specific policies/practices governing the action of employees and volunteers

Our policy states that YMCA employees, consultants, volunteers and interns shall not abuse children physically, verbally, sexually, mentally or by neglect. Anyone who violates this policy will be subject to disciplinary action and/or termination of employment.

Child Abuse Prevention Guidelines

- If your child has a pre-existing relationship with a camp staff person (a child you babysit, neighbor, friend of younger sibling), please inform us in writing prior to your camp session.
- Except in the case of a pre-existing relationship, staff is not allowed to babysit participants.
- Even if there is a personal relationship, counselors and staff members are prohibited from escorting or driving a camper home.
- If a participant contacts you outside of the program – in person, by phone or online - please be sure to inform the camp Director.

Investigation and Reporting of Allegations of Abuse/Mistreatment/ Inappropriate Behavior

The YMCA takes all allegations of abuse, mistreatment and inappropriate behavior seriously. All employees, consultants, volunteers and interns of the YMCA are considered as mandated reporters, and therefore, must legally report all suspected or reported cases of child abuse or victimization of a vulnerable adult. Any person who knowingly fails to report suspected abuse or neglect is in violation of YMCA policies. In addition, any parent or guardian should report any concerns they see as outlined in the reporting procedure below.

Child Abuse Reporting Procedures

The New Rochelle YMCA is committed to taking all appropriate steps to keep its program free of child abuse. If not withstanding these efforts, YMCA staff, classified as mandated reporters, come to know or to reasonably suspect that any child in any YMCA programs is the subject of child abuse, neglect or mistreatment that information shall be reported to the New York State Office of Children & Family Services (NYSOCFS) at: **Mandated Reporter (800)635-1522** or **Public Hotline (800)342-3720** and the appropriate YMCA personnel.

The New York State Office of Children and Family Services maintains a Statewide Central Register (SCR) of Child Abuse and Maltreatment for reports made pursuant to the Social Services Law. The Central Register,

also known as the **"Hotline"**, receives telephone calls alleging child abuse or maltreatment within New York State. The Central Register relays information from the calls to the local Child Protective Service for investigation, monitors their prompt response, and identifies if there are prior child abuse or maltreatment reports. In the event of an accusation of child abuse, the YMCA staff will take prompt and immediate actions as follows:

1. At the first report or allegation that child abuse has occurred, the employed staff who it has been reported to will notify their supervisor. The YMCA staff will call NYSOCFS and will cooperate to the extent of the law with any legal authority involved.
2. The supervisor will review the incident with the Summer Camp Director. The supervisor and staff will complete a YMCA incident report. Oral reports to the SCR from a mandated reporter must be followed within 48 hours by a written report to the local department of social services' CPS unit on form [LDSS-2221A](#).
3. The parents or legal guardians of the child or children involved in any alleged incident will be promptly notified in accordance with the directions given from CPS/ NYSOCFS

Confidentiality is extremely important to the YMCA and at no time would a YMCA staff or volunteer provide information regarding any incident to anyone other than the Camp Director, Education Director, CEO or their designate and the legal authorities. If more than one child is involved (child on child abuse) the names of the other child would be kept confidential.

Policy Prohibiting the Abuse or Mistreatment of One Youth by Another Youth

The YMCA is committed to providing all youth with a safe environment and will not tolerate the mistreatment or abuse of one youth by another youth. In addition, the YMCA will not tolerate any behavior that is classified under the definition of bullying, and to the extent that such actions are disruptive, we will take the necessary steps to eliminate such behavior.

Bullying is aggressive behavior that is intentional, is repeated over time, and involves an imbalance of power or strength. Bullying can take on various forms, including:

- Physical bullying – when one person engages in physical force against another person, such as by hitting, punching, pushing, kicking, pinching, or restraining another.
- Verbal bullying – when someone uses their words to hurt another, such as by belittling or calling other hurtful names.
- Nonverbal or relational bullying – when one person manipulates a relationship or desired relationship to harm another person. This includes social exclusion, friendship manipulation, or gossip. This type of bullying also includes intimidating another person by using gestures.
- Cyberbullying – the intentional and overt act of aggression toward another person by way of any technological tool, such as email, instant messages, text messages, digital pictures or images, etc. Cyberbullying can involve:
 - Sending mean, vulgar, or threatening messages or images;
 - Posting sensitive, private information about another person;
 - Pretending to be someone else in order to make that person look bad;
 - Intentionally excluding someone from an online group;
- Hazing – an activity expected of someone joining or participating in a group that humiliates, degrades, abuses, or endangers that person regardless of that person's willingness to participate.
- Sexualized bullying – when bullying involves behaviors that are sexual in nature. Examples include sexting, exposures of private body parts, and sexualized language or innuendos.

Anyone who sees an act of bullying, and who then encourages it, is engaging in bullying. This policy applies to all youth, staff and volunteers.

Anyone who sees an act of bullying, and who then encourages it, is engaging in bullying. This policy applies to all youth, staff and volunteers.

ALLERGIES

When filling out the registration, please be sure to specify if your child has any allergies to food or materials (i.e. peanuts, latex, etc.). Be sure to list any and all allergies in the medical portion of the application. If your child requires an Epi-Pen due to severe allergies, please provide at least one to keep in the YMCA First Aid kit. Participants will not be allowed to attend the program unless the appropriate forms are submitted.

Peanut Policy

The NEW ROCHELLE YMCA is a peanut sensitive facility. We ask our families to limit types of food containing peanuts and/or peanut products sent into the center. This applies to all lunches, snacks, and special occasion foods. Please ensure ingredients are listed on any food being sent into the program.

ILLNESS, INJURY & EMERGENCY PROCEDURES

Staff members are trained and certified in first aid and will treat minor injuries and illnesses. In the event of a minor accident or illness, the senior camp counselor in charge of the camp group will notify the parent/guardian. Should a serious injury or illness occur that requires care beyond immediate first aid, an Emergency Action Plan (EAP) will be activated for the safety of the child; 911 call will be made. The primary guardian or emergency contact will be notified as soon as possible and the child will be taken to the nearest hospital for immediate care. A staff member will remain with the child until a parent arrives.

Information regarding the accident will be recorded on an incident report form and filed with the appropriate governing agencies as necessary.

ILLNESS POLICY

For the welfare of the children in the group, we ask that parents keep their child home if appear ill or have been ill during the night.

If at any time the staff feels that a child is too sick to remain in the program, the parent will be called. A parent, guardian or emergency contact must pick up the child within one hour of receiving the phone call. This policy is for the safety of all the children and staff.

A child will be sent home, if any of the following conditions are apparent:

- A temperature of 100 degrees or more within 24 hours
- Vomiting or diarrhea
- Rash (if cause is unknown)
- Suspected communicable disease (*Pink eye, chicken pox, fifth disease, etc.*)
- Severe cold with fever, coughing, unclear mucus
- Bronchitis or other throat infections, such as strep
- Nits or lice in hair

Parents are asked to please notify us within 24 hours if their child has a communicable disease so we can inform other parents and staff. The child is welcome back to the program with a note from the doctor or reasonable evidence of recovery.

MEDICAL & ENROLLMENT FORMS

State law mandates that children have a physical exam within a 24-month period prior to enrollment. Parents/guardians are required to submit appropriate documentation of health history, physicals, and immunizations PRIOR to attending camp. Your child will not be allowed to enroll/participate in any camp program unless ALL medical and enrollment forms are complete and submitted to the Camp Registrar prior to the start of your child's camp session.

MEDICATION ADMINISTRATION

The YMCA honors the Americans with Disabilities Act and will work with parents to accommodate their child's medical needs. All Early Learning Centers sites that administer medication under the ADA will have staff trained in accordance with OCFS regulations. All YMCA programs are authorized to administer emergency medications, such as Epi-pens and inhalers. Campers who must receive medication during camp hours must meet the following requirements:

- Medications need to be original container with doctor's orders for dispensing printed on label
- Completed Parent's permission and authorization signature form (only available at camp office)
- All over the counter meds must be kept in their original container which shall include original label and instruction for use. OTC medication must also be accompanied by a signed "authorization to administer" form completed by the campers legal guardian
- No meds may be transported by a child. Inhalers and EpiPens must be handed in at check-in. Any other medication must be transported directly to the camp nurse or camp director by the parent/guardian.
- Medication brought to camp without all of the above stated criteria cannot and will not be administered
- Any leftover medication must be retrieved directly by the parent at the end of your child's camp session or it will be disposed of.

COVID POLICY

Currently, masks are optional for adults and campers. In the event that you prefer your child wear a mask the entire day, please be sure to reach out to the Assistant Directors or the Summer Camp Director so we can support your child.

We have developed a COVID-19 infection prevention plan for our programs which is aligned to CDC guidelines. This plan has been created to provide clear guidance on our procedures to carry out a successful camp.

All adults and children who will be coming into contact with our program should take their temperature prior to leaving their home. If the temperature of anyone in the family is 100.4 F or higher, we ask that you stay at home and/or keep your child at home.

For the safety and protection of all participants, our cleaning and maintenance practices will continue to be maintained at the highest standard throughout the property. Staff will be tasked with cleaning and sanitization as their essential role by disinfecting door knobs, handles, and sports equipment and any other public touch-points in camp. Staff will increase the frequency by using upgraded supplies and disinfectants to comply with CDC guidelines and new industry standards.

In the event a child feels ill or shows symptoms of illness during camp hours, staff will coordinate an immediate response. The child will be taken to a sick room. Parents will receive immediate notification by

phone call by the Summer Camp Director; alerts will be shared. Possible infections/ sick campers will require parents to immediately arrange for pick-up. A staff member will remain near the child for supervision. The sick camper will be required to quarantine and provide a negative covid test as per the current CDC guidelines.

PROTOCOL FOR POSITIVE COVID-19 for CAMPERS OR STAFF

Campers or staff who test positive for COVID-19 must be isolated from other campers/staff and excluded from the camp for at least 5 days. Isolation ends after 5 full days if the individual is fever-free for 24 hours without the use of fever-reducing medication and other symptoms have improved. Masking continues to be required upon return from isolation during days 6 through 10. Individuals must wear a well-fitted mask and should social distance. If unable to wear a well-fitted mask, the entire time at the facility, they may not return for 10 days.

NON-VACCINATED EXPOSED CAMPER OR STAFF PROTOCOL

Asymptomatic non-vaccinated campers and staff will be excluded from camp for 5 days. Testing on Day 5 after exposure will be required to detect infection among individuals identified as exposed or potentially exposed. Masking continues to be required upon return to camp during days 6 through 10. Individuals must wear a well-fitted mask and should social distance. If unable to wear a well-fitted mask, the entire time at the facility, they may not return for 10 days.

UP TO DATE EXPOSED CAMPERS OR STAFF PROTOCOL

Asymptomatic campers and staff who are up to date with vaccines or have recovered from laboratory-confirmed COVID-19 in the previous 3 months will be excluded from camp for 5 days. Testing on Day 5 after exposure will be required to detect infection among individuals identified as exposed or potentially exposed.

DISASTER EVACUATION

In case of an emergency, each program has a designated relocation site. The Summer Camp Director and other administrators will be responsible for contacting all guardians of participants in order to coordinate immediate pick up via email, social media updates and/or phone calls.

SPECIAL NEEDS

The YMCA strives to provide programs that include children of all abilities. Our goal is to provide high quality programs and highly qualified staff to enable your child to have a fun, successful and enjoyable learning and social opportunity.

Our program is open to all students without regard to disability. Students with disabilities are invited to participate in the program if they can do so without 1:1 assistance. The YMCA will review the needs of each student, including but not limited to a review of the student's Individualized Educational Program (IEP) where appropriate, to determine appropriate and necessary staffing to ensure the safety and quality of the program for all students. We work to ensure that accommodations provide successful participation in our programs, while not fundamentally altering the nature of our programs and services.

STAFF INFORMATION

STAFF

The New Rochelle YMCA believes that the success of our program lies in the quality of our staff. Employees are carefully selected based on experience, education, talents and interpersonal skills. Camp staff is required to attend an extensive training process to cover specific program goals, emergency procedures, group work and curriculum planning. All of our staff has a criminal background check and a sex offender check completed before working with children. Above all else, the members of our staff share a common love for working with children! All camp staff wear YMCA staff shirts for easy identification.

Our aquatic staff consists of certified lifeguards who have experience in water safety and swim lesson instruction. Prior to working with your child, background checks are completed on all staff that include: prior work history, three positive reference checks, and background checks.

SUPERVISION OF CHILDREN

In our programs a child is never left unattended or unsupervised. Generally, the YMCA prefers that two individuals are present whenever children are in care. When this situation is unavoidable, the YMCA has a standard of behavior that must be observed. This standard involves moving to an area that can be easily observed by others passing by, or asking another staff member to randomly drop-in.

Proper staff to child ratios should always meet/exceed NY state requirements of:

- 3-4 Years 1 staff to 6 children
- 5-6 years 1 staff to 6 children
- 7-8 years 1 staff to 8 children
- 9-11 years 1 staff to 10 children
- 12-15 years 1 staff to 12 children

In general, the YMCA caps enrollments to ensure that the proper ratios can be maintained.

CONFIDENTIALITY

The policy of the YMCA Program concerning the issue of confidentiality of information is as follows: Information that families give to the YMCA staff will be shared with other staff, only on a need to know basis. No information about a YMCA family may be released to another agency without the written consent of the family, unless required by law.

BEHAVIOR MANAGEMENT

BEHAVIOR MANAGEMENT POLICY GOALS

- To create a constructive, positive atmosphere for children where strengths are maximized and weaknesses are minimized.
- To establish a socially interactive group that is non-punitive in nature and where the group leader's comments focus on reinforcing a child's appropriate behaviors rather than commenting on negative behaviors.
- To strive to keep expectations of children developmentally and physically appropriate while keeping the child's dignity and self-respect at the forefront of the activity.
- To follow accepted child development standards regarding discipline such as:
 - Positive Redirection
 - Positive Reinforcement
 - Achievable goal setting for desired appropriate behavior
 - Open and positive communication with child and parent/guardian
 - Removal from activity to regain self-control (last resort)
- Children will not be spoken to in terms of "good" or "bad" behaviors. Behaviors are commented on in constructive ways and appropriate alternative behaviors are discussed and suggested by the group leader.
- No corporal punishment is to be used ever, nor any of the following: spanking, rough handling of a child, humiliation and verbal abuse including embarrassing a child or the withholding of food or shelter. No child shall be punished for soiling his/her pants or toilet accidents.
- Of utmost importance is the physical and emotional well being of all children in the camp group. Any removal of a child from a group situation/activity shall be done in a non-punitive manner and only for a brief period (as short as adequate for the child to be assisted in regaining self-control.)

Note: If a child must be restrained from hurting him/herself or others, the child will be held or removed from the area by the staff in a gentle yet supportive manner until the child finds self control and is no longer a danger to him/herself or others. This is done only with direct supervision of another trained staff member. In the event that a child does not respond positively to our behavior management plan and engages in any inappropriate and/or unsafe behaviors, our camp will follow the disciplinary procedures outlined in this and our camp staff handbook.

INAPPROPRIATE BEHAVIOR

The following behaviors will result in disciplinary action and possible removal from camp:

- Bullying of any kind
- Swearing, cursing, or other inappropriate language or gestures
- Teasing, hazing, harassment (physical, emotional or sexual)
- Striking, biting, fighting other children/staff
- Stealing
- Use or control of illegal substances
- Disrespect, lying, lying by omission to campers and staff members
- Damage, misuse, tampering of other's/camp property
- Disruption of activities to staff or other children
- Leaving the premises/group without permission
- Endangering others, failing to follow safety procedures
- Other actions deemed unsafe and/or inappropriate by the Camp Director

DISCIPLINARY ACTIONS

The first two steps may be skipped at the discretion of the Camp Director (Please note that refunds will **not** be granted for disciplinary reasons).

FIRST OFFENSE: The group leader will talk to the child, explain the behavior and request that the behavior cease. This will be done in a positive manner and if possible, out of the earshot (but always within eyesight) of other campers.

SECOND OFFENSE: If the inappropriate behavior continues, the counselor will notify the senior counselor. The Senior Group Counselor will meet with the camper to discuss the behavior and set an achievable goal for the camper. Senior Group Counselor will document this meeting with an Individual Behavior Documentation Sheet. At this offense level the behavior report may/may not be sent home depending on the outcome of the situation. A call will be made home by the Senior Camp Counselor or Camp Director.

Senior Group Counselor will write another Unacceptable Behavior Report. The Camp Director will be notified and given all the documentation of the negative behaviors. The camper, Senior Group Counselor and Camp Director may have a meeting to discuss and compose a new behavior plan contract or a suspension may be warranted at this time. Parents will be notified of the situation by phone and given the opportunity to meet with the Camp Director if necessary. If a camper is suspended, guardians will be notified immediately and instructed to pick up their child as soon as possible. Campers awaiting suspension pick up will remain in the office until they are signed out by their guardian. At the discretion of the Camp Director, a conference may be required at any time with parents/guardians, YMCA Administrators, senior counselor and other camp staff to discuss severe disciplinary actions that may include limited suspension, seasonal suspension, expulsion or advisement for professional referral. If the parents/guardians refuse to meet, the child will be suspended until such time that a meeting can be arranged. If the child is suspended, the parent is responsible for full payment of the session for which the child was registered.

REFERRAL POLICY

Should a senior counselor feel there is a need to refer a child for social, mental health or medical services, the staff member will bring the matter to the attention of the Camp Director. The counselor will also observe and document the child for a period of one week to one month, depending on the situation documenting related behaviors and actions. Following the observation, the Camp Director will call to invite the parents/ guardians for a conference to discuss possible solutions/referrals to an organization that may better suit the needs of the camper.

The Camp Director will offer assistance to the child's parents/guardians by providing them with a list of referral resources within the community for social, mental health, or medical services.

Termination Policy

Occasionally there may be cause to expel/suspend a child from the program; we would decide that on a case-by-case basis. Before we reach such a situation, we will do everything possible to work with the family of the child(ren) in order to prevent this policy from being enforced.

Some examples of unacceptable behavior include but are not limited to:

- Physical aggression on the part of a child or parent
- Use of foul language by child or parents

- Disrespectful or intolerant/hateful words or actions
- Disrespect to staff, children (child or parent)
- Consistently ignoring program rules
- Leaving program area without permission
- Failure to complete required form
- Failure to pay or habitual lateness in tuition
- Parent or child exhibits verbal abuse to staff in front of enrolled children
